Courses Meeting the Research Methods Requirement in the Master of Education in Adult Learning and Education (as of July 1, 2021)

Students in the ALE MEd program are required to take at least one 3-credit research methods course, but it is also possible to take additional research methods courses as electives in the program subject to approval of the student's advisor. The 3-credit research methods requirement can be satisfied by completing any of the following courses:

General overviews of research methods

- EDUC 500: Research Methodology in Education
- EDST 571: Educational Research: Relating Questions, Theory & Methodology

Participatory & community-based research methods

- EDST 508B: Review of Research in Educational Studies—"Community-based & Participatory Research"
- EDST 525: Program Evaluation in Adult & Community Education (online)
- SOCI 495F: Advanced Studies in Sociology: "Community-based Participatory Methods"
- ASTU 401: Wicked Problems in Community Development

Arts-based & visual research methods

- EDCP 510: Video Ethnography in Educational Research: Culture, Technology & Interpretation
- EDCP 514: Arts-based Educational Research: A/r/tography

Indigenous research methods

- EDST 545: Indigenous Inquiry & Research
- EDST 546: Indigenous Methodology & Epistemology
- FNIS 320: Critical Indigenous Methodologies

Social science research methods

- EDST 529: Qualitative Research Interviewing
- EDCP 513: Case Study Research & Cross-case Analysis
- EPSE 595: Qualitative Research Methods
- SOCI 502: Quantitative Research Design & Techniques
- SOCI 503: Qualitative Research Design & Techniques
- SOCI 514: Analyzing Quantitative Data
