EDST GAA

Newsletter

This month we look forward to warmer and longer days. Hopefully you make plans to visit the beach, take a dip in the water, and enjoy the beautiful summers in BC.

If you are planning on getting some work done, be that in a summer course, thesis, dissertation, journal article, conference presentation, or any other, don't hesitate to join us at a co-working session. These events provide dedicated space for productive work and community support.

We look forward to meeting you there!
